

CORNWALL III

70TH ANNIVERSARY LIMITED EDITION

70TH ANNIVERSARY
HERITAGE
LIMITED EDITION

SPECIFICATIONS

FREQUENCY RESPONSE (+/- 4 dB)	34Hz - 20kHz
SENSITIVITY¹	102dB @ 2.83V / 1m
POWER HANDLING (CONT/PEAK)	100W/400W
MAXIMUM SPL	119dB Continuous
NOMINAL IMPEDANCE	8 ohms Compatible
CROSSOVER FREQUENCY	HF: 5000Hz MF: 800Hz
HIGH FREQUENCY DRIVER	K-107-T1 1" (2.54cm) Titanium diaphragm compression driver
MIDRANGE	K-53-T1 1.75" (4.45cm) Titanium diaphragm compression driver
LOW FREQUENCY DRIVER	K-33-E 15" (38.1cm) Fiber-composite cone woofer
ENCLOSURE MATERIAL	MDF
INPUTS	Dual binding posts / bi-wire / bi-amp
HEIGHT	35.75" (90.8cm)
WIDTH	25.3" (64.3cm)
DEPTH	15.5" (39.4cm)
WEIGHT	98lbs (44.5kg)
FINISH	 Australian Walnut <small>Note: Australian Walnut, like most exotic hardwoods, will vary dramatically in color and grain pattern. This is due to the normal seasonal or geographical differences where the trees are harvested.</small>

CELEBRATING 70 LEGENDARY YEARS

In celebration of the 70th anniversary of Klipsch, exclusive limited edition Cornwall speakers are being manufactured in exotic Australian Walnut wood veneer. Australian Walnut (also known as Queensland Walnut) is grown in the coastal tablelands of North Queensland, Australia. The species varies in color, but is usually a pale golden hue highly contrasted with darker streaks of chocolate brown, grey, black, or even pink. Australian Walnut grain is moderately close and even and sometimes wavy, resulting in a wide variety of figure effects. In other words, every pair of speakers is visually one-of-a-kind.

DESIGNED AND MADE IN THE USA USING DOMESTIC AND IMPORTED COMPONENTS

Like all Klipsch Heritage speakers, the Cornwall III is a lifetime investment. Built to the strictest Klipsch standards, these speakers offer years of gratifying performance. Remember great sound? We do, too. The Klipsch Cornwall III enclosure is still made in the USA, by proud craftsmen in Hope, Arkansas. Just like Paul W. Klipsch (PWK) intended.

FEATURES

LIMITED EDITION

The 70th anniversary Cornwall is limited to a production run of only 70 pairs of speakers. Each speaker features a small plaque identifying its numbered sequence in the series and is hand-signed by the craftsman.

THREE-WAY LOUDSPEAKER

First introduced in 1959, the Cornwall III is a three-way design using horn-loaded compression drivers for the midrange and tweeter and a direct-radiating 15-inch woofer for the low frequencies. The Cornwall III is an excellent combination of wide frequency response, low distortion, and high power output. Within the Heritage series, only the legendary Klipschorn® offers more extended bass response.

NEW NAMEPLATE AND GRILLE

Each pair of Cornwalls feature vintage "script" style nameplates mounted to a beautiful silver luster grille cloth.

NEW RISER

A matte-black riser base compliments the Cornwall's Australian Walnut wood veneer enclosure.

BOOK-MATCHED WOOD VENEER

Klipsch only uses book-matched wood veneers for the Heritage series. The veneer leaves are kept in order as they are delicately sliced from the timber and precisely arranged to provide a mirror image at the splice joint – like turning the pages of a book. This gives each speaker a more aesthetically appealing and consistent appearance that is treasured more than any other cut of wood veneer.

MATCHED PAIRS

Each pair of Heritage Series loudspeakers is grain-matched using wood veneer panels that come from the same timber. Each cabinet is carefully matched so that each speaker in the pair is practically indistinguishable from the other. The speakers move seamlessly together through the factory. Each finished product is inspected and labeled with sequential serial numbers, ensuring that the Heritage series speakers leave the factory as a meticulously crafted set.
